ARES RACES Senior Leadership Meeting – 4/18/2015

.

The Wisconsin ARES/RACES Senior Leadership staff met in Wausau to consider several items to provide guidence for the coming year.

One item discussed was the process of selecting those persons who would be awarded recognition this year, the EC of the Year, and Senior Leadership of the Year. In the past it has been done by the SEC. Mark, N9MEA, propossed that a committee be formed to administer this ans those present agreed that it would be a proper way to proceed. A committee was formed chaired by Larry, NZ9I. The committee is asking that anyone with a suggestion for these two awards please contact Larry with your suggestions.

Another presentation came from Winnebago County EC Kyle Schaefer, KC9SDK. He has been talking with a company that supplies wearing apparel with logos and lettering for organizations like ARES/RACES. Kyle presented some information and we will have some finalized results at the October Conference hopefully with some samples.
The company is able to supply Shirts, jackets, hats all in several styles and colors. This would be an excellent replacement for the company we used to have as a supplier.
